

ORACLE**CERTIFICATION PROGRAM****Examination Score Report****Marie Baumont****Oracle Testing ID:** OC1932605

1Z0-808 Java SE 8 Programmer I

**Exam Date:** 02/10/2020**Registration:** 368442417**Center ID:** 50009**Your
Score:** 75%**Passing
Score:** 65%**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply access modifiers
- Compare and contrast the features and components of Java such as: platform independence, object orientation, encapsulation, etc.
- Create a try-catch block and determine how exceptions alter normal program flow
- Create and manipulate calendar data using the following classes: `java.time.LocalDateTime`, `java.time.LocalDate`, `java.time.LocalTime`, `java.time.format.DateTimeFormatter`, `java.time.Period`
- Create and use for loops including the enhanced for loop
- Declare and use an `ArrayList` of a given type
- Declare, instantiate, initialize and use a one-dimensional array
- Define the scope of variables
- Define the structure of a Java class
- Differentiate among checked exceptions, unchecked exceptions, and Errors
- Import other Java packages to make them accessible in your code
- Use Java operators; use parentheses to override operator precedence
- Use a switch statement
- Use break and continue

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.

- Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
 - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
 - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
